

Ready Vet Go!

An Exhibit on the Move

Educational Benefits

Ready Vet Go! has numerous educational opportunities, both facilitated and non-facilitated, for guests of various ages. Skill focuses include creative and critical thinking, fine and gross motor development, role-playing and community awareness.

Educational Program Guide

An educational program guide accompanies the exhibit that details specific programs that can be conducted by organizational staff or community partners (like staff from local veterinary clinics). The educational program opportunities are numerous and include:

- Benefits of caring for a pet
- Choosing a pet that's right for you
- Responsibilities of pet care
- Homemade pet treats and toys
