**Where:** The Children's Museum of Denver's Outdoor Plaza  
2121 Children's Museum Drive  
Denver, CO 80211

[About the Go Fast! Jet Pack and Jet Pack International](#)

What most people would see as an unobtainable project, Troy Widgery, Founder of Go Fast Sports and Beverage Company, created Jet P.I. LLC to research, develop, and construct, what was once a childhood dream, the Go Fast Jet Pack! The goal of Jet P.I. was to build a light, faster, more economical and longer-flying Jet Pack than the ones originally built by Bell Aerosystems in the 1960's and successors. With incredible passion, determination and an extreme amount of work combined with cutting-edge, modern technology, materials and engineering, Jet P.I. has developed the world's most advanced personal flying machine. The Go Fast Jet Pack has flown for events all over the world and has been broadcasted worldwide. On November 24, the Go Fast Jet Pack and Pilot, Eric Scott, set a new Jet Pack record, flying the 800 horsepower machine an amazing 1500 across the Royal Gorge in Canon City, Colorado. The event was seen by millions of people around the globe and has since caused a rebirth of the cultural phenomenon of personal Jet Packs. Jet Pack International is continuing to blaze the path of personal flight. **[www.jetpackinternational.com](http://www.jetpackinternational.com)**

### **About the Children's Museum of Denver**

Since its inception in 1973, the Children's Museum of Denver has been a place that ignites and fosters a great love of learning. Our mission is to create a community where children and their grownups learn through play.

The Museum provides rich play experiences and a dynamic learning environment to help young children prepare for their future. The Children's Museum of Denver is a nonprofit 501(c)(3) organization that relies heavily on the support of Museum friends.

The Children's Museum of Denver is located at I-25 and 23<sup>rd</sup> Avenue (exit 211), in the Platte River Valley. For more details about the Museum, and its programs and events please visit [www.mychildsmuseum.org](http://www.mychildsmuseum.org).
