**Why:**

Hop, Skip & a Jump Start is a fundraiser for the Children’s Museum of Denver at Marsico Campus. All proceeds support the Museum’s educational programs, interactive exhibits, outreach initiatives and activities that encourage both children and adults to engage, play, grow and learn.

**About the Children’s Museum of Denver at Marsico Campus**

The mission of the Children's Museum of Denver at Marsico Campus is to create extraordinary experiences that champion the wonder and joy of childhood. We believe in kid-powered learning and every day, our expertly designed exhibits and programs open doors for Colorado's curious young minds to express what they know and to discover, create and explore more - on their own terms.

Since 1973, the Children’s Museum of Denver at Marsico Campus has served the metro-Denver community as a learning institute dedicated to the education and growth of young children and their caregivers. The Museum provides rich play experiences and a dynamic learning environment for children to joyously learn through innovative and interactive hands-on exhibits, engaging daily programming and year-round special events. Last year, they served more than 359,000 children and their grown-ups.

The Museum is currently under construction on a \$16.1 million expansion to create a 9-acre campus and new experiences; doubling the size of the current facility. The expansion is slated for completion this November.

The Children’s Museum of Denver at Marsico Campus is a 501(c)(3), private non-profit organization, and a Tier II SCFD member.
